

Department of Human Resources

**Invites applicants for the position of:**

## **Electrician (Airfield)**

Requisition: ELECT01271

---

The Airfield Electrician is responsible for maintaining runway, taxiway, beacons, weather monitoring systems, illuminated signs, and other special airport lighting systems in accordance with codes, Federal Aviation Administration (FAA) standards, and other requirements. Other responsibilities include inspecting and improving electrical facility installations, maintenance, and repairs; and maintaining motors, relays, circuit breakers, regulators, and other electrical components of the lighting and mechanical systems.

### **Essential Job Responsibilities:**

- Maintains runway, taxiway, beacons, weather monitoring systems, and other special airport lighting systems in accordance with codes, standards, and other requirements.
- Monitors airfield circuit quality and initiates repairs prior to loss of circuit operation.
- Monitors airfield communication systems to prevent loss of lighting control.
- Assists in inspecting maintenance, repair, and installation of electrical facilities and develops improvements to such facilities.
- Installs, modifies, and repairs lighting and mechanical systems in airport and airfield facilities.
- Performs preventative maintenance inspections and tests on motors, relays, circuit breakers, and other electrical components.
- Maintains and repairs motors, relays, circuit breakers, and other electrical components of the lighting and mechanical systems.
- Works with live electrical equipment in hazardous areas.
- Attends training and completes testing to maintain air operations area certification for airfield driving.
- Follows all safety regulations.
- Maintains regular and on-time attendance.
- Supports MNAA's commitment to its culture and values, including Respect, Integrity, Service and Excellence (RISE).
- Performs other duties as assigned.

### **Qualifications:**

- High School Diploma or equivalent.
- Journeyman Electrician Certification.
- 2 to 4 years of related experience.

**Accepting applications:** until filled
