Hello from Google!

Have you ever wanted to casually chat with a Googler? Interested in learning about how your background and interests could align with an opportunity at Google? Now's your chance!

Here are the details:

- **Who:** Students graduating this year and are pursuing a degree in a discipline that is applicable to the [Data Center Facilities Technician, University Graduate](#) role.
- **What:**
 - Google Data Center Recruiters are looking to chat with you to understand more about your background and interests as well as answer any questions you have about working at Google.
 - They will share about the [Data Center Facilities Technician, University Graduate](#) role at a Data Center nearby (open now on google.com/careers), who is eligible, and important application information.
- **How:**
 - **Sign-up below** to virtually chat with a Google Data Center Recruiter next week [15-minute time slot].
 - **Include:** Name, phone number, email address
 - **Send your resume** prior to your chat to dcnewgrad@google.com.

1:1 Virtual Chat with a Googler

Tuesday 2/5 - Friday 2/8
[15-minute time slots]
