Jostens, the leading manufacturer of Yearbooks, is currently seeking a qualified Maintenance Technician for its Clarksville, Tennessee facility.

Job Requirements:

- High School degree or GED required
- Must have at least 3 years of previous experience in industrial maintenance, or in a similar field
- Relevant training as a maintenance technician, mechanical or industrial maintenance preferred
- Maintenance experience in a Printing environment a plus.
- Excellent attendance
- Good communication skills - written and verbal
- Able to follow written and verbal instructions, including electrical and other schematics
- Willing to work flexible hours and overtime with short notice
- Works well under the pressure of deadlines
- Must have flexibility to learn and use new technology
- Must be able to lift 50 lbs.

About Jostens:

Celebrating over 120 years of business, Jostens has been a part of local communities, working with K-12 schools, colleges and universities, teams and affiliation groups. As a household name and leading brand in our market, we are passionate about being the most trusted partner in celebrating moments that matter (Yearbooks, Graduation Announcements, Class Rings, Diplomas, Awards & Commercial Printing). We are a mid-size company with a small company feel, allowing us to move fast and explore innovative ideas.
