Anyone interested and can do some hard work we are looking for some employees. We have several different areas that we are needing help with. People that are willing to learn a trade.

**Jobs:**

Shop and yard person. Help keep the yard clean and help in the metal shop when we need to make metal to go to jobs. Knows how to run forklifts or willing to learn if you don't know how.

Welder and sheet metal workers.

Mechanic that has experience with all types of trucks and machinery.

Carpentry skills that is willing to learn other types of jobs also, such as doing sheet metal work too.

Please call us at the number above in the morning between 7am and 11:30am to make sure someone is in the office so you can fill out an application.

If you are interested please come by our office in White Bluff right next to Carl's Perfect Pig and beside White Bluff Building Supply. We are right in between them both.
