To Whom It May Concern:

Jones Bros. Contractors, LLC is currently working on a Tennessee Department of Transportation bridge construction project in Humphreys County, TN. We are requesting your assistance in locating qualified applicants for employment on this project. Specifically, positions are available for Bridge Carpenters, Heavy Equipment Operators, Crane Operators and Construction Laborers.

Jones Bros. Contractors, LLC holds contracts that are subject to the provisions of Executive Order Number 11246 and regulations issued by the Office of Federal Contract Compliance regarding Equal Employment Opportunity. As such, for our Affirmative Action Program for Equal Employment to be effectively executed, we earnestly solicit your assistance by engaging in aggressive recruitment of minorities and female workers to fill available positions.

Interested individuals may submit their application for employment via our website at [www.jonesbroscont.com/employment](http://www.jonesbroscont.com/employment).

Respectfully,
